Class Information:

In this mini course you will learn some of the many ways to employ acrylics in your craft.

Week 1: Learn a little about how to apply acrylic paints as a transparent medium, on Watercolour paper and canvas without the expense of buying Watercolour paints! Learn wet-on-wet, wet-on-dry, and much more.

Week 2: In this session we create a still life with acrylics then play with Impasto and Gel Mediums to create bold texture and volume giving you a 3D appearance.

Week 3: This is fun! Stretch your imagination and build an abstract implementing layers, collage, textures and mediums.

Week 4: Using a fabric medium with your usual acrylic paints, create a wearable item or useable piece for the home. Learn some new applications including wet-on-wet and wet-on-dry, lining and blending to create a full-bodied illustration.

Class places are limited to 12 participants: Secure your place by payment in cash or eft at the gallery and completing your booking form. For more enquiries please email
