12pm - 3pm
Class Schedule - 2024

Date	Teacher	Lesson Focus
Nov 16	Denise Painter	Introduction to Mixed Media <input type="checkbox"/> Overview of collage and description of mediums such as texture gel, impasto etc. <input type="checkbox"/> Discuss with each student their concepts, design and images
Nov 23	Denise Painter	Application of base coat <input type="checkbox"/> Placement of design and glueing
Nov 30	Denise Painter	Using paint and tissue paper to merge all components
Dec 7	Denise Painter	Completion of works and review

Objective: To create a Collage using Acrylic Paint & Mixed Media such as texture gel, impasto. Students will be required to supply images and a concept for the Collage they wish to create.

Design techniques such as shatter will be included where appropriate.

Copyright should always be considered when selecting images with which to work. **The subject matter for the work is to feature a 'head' of a person or animal with complimenting images and textured papers. Students may use the work featured in this document as inspiration but not to be copied.**
